New Advertisements.

SIGNIFICANT.
The new system of Advertising adopted by Geo. P Rowell & Co., Advertising Agents, No. 40 Park Row, New York, is attracting a good deal of attention.
The following extract from a speech delivered before the New York State Editorial Convention, (lately holden at Penn Yan,) by a prominent Advertising Agent of New York city, goes to show that he at least acknowledges its advantages.
From Jamestown, N. Y., Journal of Aug. 2nd, Edited by C. E. BISHOP, *Chairman of Committee on* ADVERTISING AGENCIES.
"Mr. Pettingill spoke in opposition to that plan from the *publisher's* stand point alone. He showed the publishers that by this system of contracting they were giving lower rates than they gave their own home customers or others equally as prompt and good customers; that they were selling one portion of their paper to be used to compete with and underbid the other columns; that the owner of the space thus sold could come right in and beat the publisher's prices and take his business away from him; that if the publishers, fully understanding this, still wished to continue so irregular and unbusiness-like a system he (Pettingill & Co.) should of course cease trying to get advertising for the papers at their regular rates and go into the other system of contracting—which he could stand if the printers could."
The anxiety on the account of newspapers is uncalled for. There is not one in twenty which would not prefer to receive all their foreign patronage on this plan, when it is fully understood. It is too generally recognized as thoroughly beneficial to all parties concerned to be injured in the least by any thing which may be said against it by interested parties.

PETER SHIVELY, Hamiltonban township.

COUNTY TREASURER,

DIRECTOR OF THE POOR,

COUNTY AUDITOR,

ELECTION—TUESDAY, OCTOBER 8.

BE ASSESSED.

Let every Republican be assessed AT ONCE. This must be done ten days before the election. The last day for assessments will be, FRIDAY NEXT, September 27th.

THE "Democrats" are cheerful over the election of their delegate to Congress, from Montana Territory. It went "Democratic" last year, and will next; for the Territory has been largely settled by refugees from Jackson's and Price's Rebel armies, and the guerrilla bands of Quantrell and other Border ruffians.

Large numbers of deserters, bounty jumpers and draft sneaks escaped from Iowa, and other Western States who, also, made their way to the Rocky Mountains, and are to-day a large proportion of the population of Montana. Until this material be superseded, that Territory may be reasonably considered safe for the rebel side of every question.

SOME of the Baltimore "Democrats" wanted to make GEORGE P. KANE, the leader of the 19th of April riot in 1861, the "Democratic" candidate for Sheriff; but he declined. Men who assisted him in that crime, are in public places, and more will be, when the new Constitution takes effect.

THERE is something sublime in the impudence of the "Democratic" State Committee's address, arraigning the Republican management of State finances, when we remember the facts that under the dreary rule of "Democratic" Governors and Legislatures our State Debt was created and State Taxes levied; that no step was taken towards paying the one or lightening the other, until the "Democratic" Party was beaten; and that, during the past year, nearly TWO MILLIONS of this "DEMOCRATIC"-MADE Debt has been paid. As much will be paid this fiscal year. The Republicans have done this, notwithstanding their repeal of the State Tax on Real Estate. Yet the "Democracy" are not satisfied!

THE "Democratic" papers have, at last got to square falsifying about Judge SHARSWOOD'S opinion on "legal tenders." The election is near. The Philadelphia *Age*, in a recent number, says:

"In the case of Borie vs. Trott, Judge Sharswood 'decided that a man *who agreed to pay a debt in gold should pay it in gold.* Was not this right? *He did not decide the question of the power of Congress.*"

This is not true. Judge SHARSWOOD devoted his entire Opinion to proving that Congress had no power to issue "legal tenders." He did not touch the point of the special agreement to pay in gold. Here is his own summing of the case, as printed in the *Age*, at the time:

"On the whole, then, I am of opinion that the provision of the act of Congress of February 25, 1862, declaring the notes issued in pursuance of that act *to be a lawful and legal tender*, is UNCONSTITUTIONAL. This renders it *unnecessary that I should consider the other question* which has been made, *as to the effect of the special agreement to pay in lawful silver money* of the United States."

That detestable opinion will not "out" at the bidding of Democratic editors.—The people will remember this wicked attempt to help the Rebellion, by denyto the Union the rightful power to raise money to pay its troops.

WILLIAM A. WALLACE has issued another high-sounding address, full of abuse of the negroes. One of them was his substitute in war. He has queer ideas of the sacredness of the right of suffrage. He was amongst the most violent in opposing the right of Soldiers to vote; and he avowed this as his reason:

"I vote against this bill from principle.—A voter disfranchises himself and ceases to be a citizen when he takes upon himself the duties of a soldier."

But, in his view, Rebel soldiers did not disfranchise themselves by fighting against the Union. Penalties only attached to fighting for the Nation!

THE "Democracy" show nice discrimination. They have recently elected two of JOHN MORGAN'S Colonels to important State offices in Kentucky; and the rebel pirate HOLLINS has a very profitable office in Judge PARKIN SCOTT'S Court in Baltimore. And men who claim to love their country, justify, by their votes, such insults! Honors are heaped upon the wretches who made and prolonged the War; and the faithful Union men of the North and South are frowned upon, as if they had done a wrong by standing by the flag, and the honor and life of their land. O Democracy! what crimes are committed in thy name!

THE "Democrats" thought it was not constitutional for President BUCHANAN to use force to put down the Slave-holders' Rebellion; but think it clearly constitutional for President JOHNSON to use force to prevent the assembling of the Congress of the Nation in November next! "Circumstances alter cases."

"DEMOCRATIC" papers are trying to extract comfort from the fate which befell the men who opposed the Country in the War of 1812. No party can live which is traitorous during War, and the "Democratic" party, as now organized—with BLACK, VALLANDIGHAM, PENDLETON and SHARSWOOD as its leaders—will never have the government of this country in their hands. They have committed the unpardonable sin.

JUDGE SHARSWOOD A SECESSIONIST.

We have no doubt that Judge SHARSWOOD, who in 1833 believed that South Carolina had the RIGHT to nullify a law of Congress, believed, and yet believes, in the RIGHT of one or more States to secede from the Union, at will. All his published declarations, opinions, and writings confirm this. And we are amazed that *any* patriotic man should vote to place him on the Supreme Bench of the State, where his power for evil would be almost illimitable.

Our readers are familiar with SHARSWOOD'S justification of the claim of Nullification, in his speech in Philadelphia in April, 1834; and also with his opinions of 1864, denying the power of Congress to issue paper money or make it a "legal tender" in the payment of debts. There is another proof of his views, equally conclusive, and from his own hands. In 1860, Judge SHARSWOOD published an edition of Blacks one's Commentaries with copious notes by himself, in all of which his early adoption of Calhounism, in its worst forms, constantly appears.—He speaks, all through his notes, of the "*Sovereign* States," and of them as "independent Republics!" He speaks constantly of the *federal* government, never of the *Nation*. He describes the "Chief Executive Magistrate as the agent by whom the will of *the States* and the people" is carried into effect. He keeps up constantly the old Secession idea of the separateness of each State as an independent organization; and discards the idea of the people of all the States being a great *Nation*. This is the ground work of the whole States Rights or Secession theory. SHARSWOOD believes in it, and has taught it. In his whole mental constitution, he is anti-National; and he belongs to the extreme wing of the State-Rights School. If he should become a judge of our Supreme Court, he will decide so as to deny to the government every power necessary to self-assertion and self-preservation, and put it where he has long thought it ought to be, squarely on the State-Rights platform.

We would as soon vote for MAGRUDER of Maryland, who openly disregards the Civil Rights bill, or any other enemy of the Nation, as for GEORGE SHARSWOOD.

ONE of the largest brokers in New Orleans recently bought $265,000 of Rebel 8 per cent. bonds of 1861 and $300,000 of the issue of 1863. And a banking house in Washington City has advertised for Rebel bonds to fill orders received. The "Democratic" victory in CALIFORNIA, has given new value to Rebel bonds.—A "Democratic" victory in the Union would cause a rise in them equal to the advance in Texan bonds after annexation. The "Democracy" are known to have a warm side for the Rebel Debt, and holders would expect to have it paid, in whole or in part. These facts are very suggestive of danger to all interested in maintaining the Government credit.

THE Pennsylvania "Democrats," in their State Convention, went through the farce of pretending to be in favor of Protection to American Industry. But the "Democrats" of Wisconsin and other States have revolted at the humiliating fraud, and declared themselves explicitly for Free Trade. This is the real and natural position of the "Democratic" party as now organized. It is a party without sympathy with labor, without regard for the poor, without a helping hand for the down-trodden. Their sympathies were with the Slave-holder against his Laborers; they are now with Capital against the interests and rights of Labor. Hence, they are against Protection, which is only a name for the policy which proposes to guard the laboring classes in this country against the low wages, the ignorance, and the oppressions which painfully mark the condition of the laboring classes in Europe. For the same reason the aristocrats of Europe were the sympathizers with Slavery, Secession, and Disunion, they are now the friends of the American "Democratic" party, which represents all the loathsome and re-actionary ideas characteristic of the worst political bigots of Europe.

A. K. SYESTER, Esq., of Hagerstown, in a recent speech in Washington County, took occasion heartily to eulogize those men who left Maryland to fight with the Rebels, and to say how much more he thought of them than the Union men who stood by their country when endangered. Yet this man had the coolness to ask Chief Justice CHASE, a few months ago, to appoint him Commissioner of Bankruptcy under a *law of the United States!*

THE "Democratic" State Convention of Florida, resolved in favor of the perpetual union of the States, and the civil and *political* equality of all the citizens of the State."

They want to carry Florida, and are after the colored vote. So it was in Alabama. So it would be in Pennsylvania if the Democracy felt that their party would be strengthened by it. They were against the soldiers voting in the field, during the war, because they knew the soldiers would vote as they fought.—They are unjust to the colored men now, because they feel they can make nothing by being otherwise.

IT is said that Judge BLACK'S law firm are to receive, as a fee, 25 per cent. on the claim of $1,500,000, recently made for a Baltimore firm, and now under consideration by the State Department. When a "Democrat" gets to be Secretary of State, the claim will probably fare better. Seward's education—whatever his faults—has not fitted him to play second fiddle to "Democratic" grabbers at the National Treasury.

WE are glad to see that T. B. Peterson & Brothers, 306 Chestnut street, Philadelphia, propose to print in a handsome volume of over 500 pages, the Letters from Europe recently written by Hon. JOHN W. FORNEY. Those of the letters which appeared in the *Press*, attracted great attention for their originality, clearness, ability, and eloquence; and the entire series will, doubtless, prove worthy of preservation in the handsome form in which the Publishers propose to issue them. The book will contain an excellent steel portrait of the author, and will cost but $2, bound in cloth. Agents are wanted to canvass for it.

THE "Democrats" think "Black is a very lucky color." BLACK made a very unlucky raid on Mr. SEWARD lately, when he was after that million and a half, of which he is to get one quarter when procured.

No public question was ever *permanently* settled, unless *justly* settled. The Negro Question will not disappear from our politics until solved by giving to all men equal civil and political rights. *Then*, we will have peace; not before.

ANOTHER COLORED "DEMOCRAT" A CANDIDATE FOR CONGRESS.

While *Northern* "Democrats" are howling themselves hoarse over Negro Suffrage and its endorsing, *Southern* "Democrats" are arranging to get the votes of that class, and actually are running them as candidates.

Week before last, we gave extracts from the address of FICKLING (colored), running in the first district of Georgia.—This week, we observe the "Democrats" are running FRANKLIN HAYNES, colored, in the Seventh district of Georgia.—Chief among his declarations of opinion, is belief in the "Kentucky resolutions of 1798," which are the exclusive property of the "Democracy."

Was there ever such a shameless swindle as the "Democratic" platform of 1867?

THE whole country have been laughing over the story of a summons intended for the Turkish Minister, Mr. Blaque, having been by mistake sent from the State Department to Judge Black, and of the Judge hurrying to Washington by the first train, only to find out that it was Mr. Blaque, not Mr. Black, who was wanted. The Judge's son couldn't stand the fun, and has published in the *Intelligencer* a letter from Mr. SEWARD to Judge B., explaining the mistake, regretting it, &c., &c.

The most important point in the letter is the statement that at the time the telegram was sent, "a very important affair was then pending in the State Department in which Judge BLACK was concerned as counsel." The son naturally supposed this matter was to be consulted about.

This "important affair" proves to have been a claim for $1,500,000 presented by him to the State Department for a Baltimore company who ask this amount for a guano island in the South Pacific which they allege they discovered but from which they were afterwards ousted. No wonder the Judge made haste to get as he supposed this glorious grab at McCulloch's moneybags. We may imagine the gliding care brought no sleep to his eye-lids as he gloated over the rich prospect before him. But his arrival dispelled the delusion, and satisfied him that the day for Democratic *Swartwoutism* will not fully come till a distinctively "Democratic" Administration shall be installed. Then look out, see the hungry animals feed! And hear the tax-payers groan!

THE colored vote of the South will make Republican States of

North Carolina,
South Carolina,
Georgia,
Florida,
Alabama,
Mississippi, and
Louisiana.

We count Virginia, Arkansas, and Texas as debatable for the present.

Is it any wonder, that Northern "Democrats" acting as they generally do, not from principle but from policy, are opposed to "Negro Suffrage?" Did it make Democratic States, they would be heartily in favor of it.

THE election of one Republican and two "Democratic" Congressmen in California, and of eight Republican Congressmen in Tennessee, will make the House of Representatives, 144 Republicans to 49 "Democrats." Precious little comfort in these figures, for men who are expecting "Democratic" supremacy in Congress.

THE "Democratic" victory in Maine consists of 121 Republicans to 30 "Democrats" in the House of Representatives, and a large Republican majority in the State Senate. The Republican majority on the popular vote turns out to be about 14,000, which is several thousands above the average majority of the last ten years.

THE new Constitution of Maryland has been adopted by a majority of about 20,000. The Rebels could have carried the State at any time during the war, had they not been afraid to vote their real sentiments. The close of the war has left them free to prove how Slavery made Traitors of them all, and keeps them defiant, insolent, and malicious.

PRESIDENT JOHNSON has pardoned John H. Rogers of Baltimore, convicted in May, last of making a false entry in the books of the National Mechanic's Bank, of which he was paying teller.—Judge GILES had sentenced him to five years in the city jail. The PRESIDENT has also recently pardoned several convicted counterfeiters. Some friends of this class have the ear of his excellency, as he pardons them as fast as convicted. They are valuable "Democratic" allies, as they help to bring the "legal tender" currency of the country into disrepute.

EVERY Union man in Maryland who fought for his country or otherwise served it in its hour of need, is overborne, in the land of his fathers, by the horde of vile men who resisted the authority of the Government, more or less actively, throughout the war; and to-day, there lies, between the National Capitol and the loyal masses, a State which is as completely in possession of enemies to the Union, as Richmond was when JEFF. DAVIS had it as his Capitol. Moreover, Rebels boast that 30,000 armed and organized men inhabit that State, prepared to second any attempt which may be made to overthrow the government and make its present PRESIDENT a dictator.

CANNOT *any* "Democratic" editor undertake to explain away Judge SHARSWOOD'S nullification record of 1834, wherein he attacked JACKSON and justified CALHOUN in the mad attempt to nullify a law of Congress?

These gentlemen are very busy falsifying in order to get around SHARSWOOD'S opinion on "legal tenders." But thus far, no one has felt he had brass enough to undertake the Nullification part of their candidate's record.

Come on, gentlemen. Don't be modest. Your powers of misrepresentation are doubtless equal to the task.

WILLIAM B. REED, the leading writer for the Philadelphia *Age*, publicly declared during the war that the War debt should not be paid. Hear his precise language:

"Will any man, the veriest optimist that lives, tell me that in his conscience he looks to the payment—even to the extent of its appalling interest—of the war debt we are now rolling up so fast?"

Of course, he is bound to try to make his threat good. Holders of United States bonds should beware of voting the "Democratic" ticket.

THE "Democratic" leaders are fearful of the defeat of Mr. HELTZELL for the Legislature, and have concluded to attack Dr. JORDY. They could not have selected a surer way to strengthen him. The day for personal defamation has passed; and no one who knows Dr. JORDY will credit any attempted imputation upon his personal character.

In this case they have procured a person, who is unable to sign his name, to swear that he gave Dr. JORDY a fee for attending to his claim for exemption from the draft by reason of physical disability. There is nothing in the case to show that the person had been previously exempted under that draft, or that the fee was not exactly such as many of the "Democratic" leaders exacted for like service.

If the "Democratic" leaders consider it fatal to a man to have performed this service for drafted men, where will they get candidates? Two years ago they ran for State Senate a Mr. DUNCAN of Chambersburg, who got most of his notoriety by reason of most suspicious complication in such business. Next year, they intend to run him again.

Let them take care how they "stir up" this substitute business.

PRESIDENT JOHNSON is anxious to postpone the elections in the Rebel States until November. If he should succeed in keeping open the registration lists, an army of registering officers will be kept under pay, at a cost of probably FIVE MILLIONS OF DOLLARS! And for no purpose except to give disfranchised Rebels a chance to make a futile effort to vote, to show his hatred of the Congressional Policy, and to gratify "Democratic" opposition to Reconstruction. "Democrats" pretend to be very economical in their ideas of governmental expenditures. But they have no scruples about wasting millions, when their party purposes require.

ONE of Moseby's men—T. Sturgis Davis of Towsontown—was a speaker in favor of the new Constitution of Maryland, the adoption of which has given such satisfaction to the "Democracy," North and South. Had any of Quantrell's men, or John Morgan's, or Forrest's men lived in Maryland, they would have done as their fellow "Democrat" Davis did. The new Constitution has made of such men, the rulers over soldiers who served under Grant, McClellan, and Meade. To such depth has Maryland been degraded.

ED. SCULL, Esq., of the Somerset *Whig*, tartly replies to "Democratic" complaints:

At least $200,000,000 of the taxes are annually stolen by the knaves whom Democrats have placed in the offices of the Internal Revenue, and even in our own county while the taxes collected have fallen off nearly one half, the assessment of them costs nearly fifty per cent. more than in former years.

AT a recent Reform meeting in Dublin, which was addressed by the O'Donoghue, Mr. Beales, and other reformers, resolutions were "unanimously adopted declaring that *no suffrage but residential manhood ought to be satisfactory*; that the ballot is indispensable, and that local branches of the League should be established to agitate with the Leagues of England and Scotland for the establishment of full public liberty without distinction."

If the Irish in this country were to plant themselves upon a like platform, the day of Ireland's deliverance would be greatly hastened. But they prefer, apparently, to vote the "Democratic" ticket here, and thereby strengthen the re-actionists there.

ONE vote may elect PETER SHIVELY, County Commissioner, and secure a large reduction in the expenses of the County. Republican supremacy has redeemed the finances of the State. Republican supremacy would reduce those of the County. The "Democrats" have wonderful talent at making debt—the Republicans at paying it. The "Democrats" excel in imposing taxes—the Republicans, in reducing and repealing them.

IF Mr. HELTZELL had so great influence in the last Legislature as to get the Damage bill through the Assembly, why did he manage to pass it at so late an hour that there was not time to consider it in the Senate? Did he intend to play a trick! and was his getting the bill through the House a mere sham, for political effect?

"DEMOCRATIC" papers are abusing the last Legislature for the number of investigating committees it raised, and their expensiveness. How many of them did Mr. HELTZELL vote against? His political friends got up the most costly, and *with his approval*.

REMEMBER DAVID M. SHEADS, Republican Candidate for County Treasurer. He was a faithful soldier, and lost two brothers in the war.

LET no Republican vote for HARVEY D. WATTLES, who does not need the office, and has no claims on the support of Republicans, especially against a good soldier.

IF you are in favor of a Free Railroad Law, vote for GEORGE H. JORDY. The Republican State and County Convention, both, declared in favor of this great public measure.

THE "Democratic" County and State Conventions, both, were silent on a Free Railroad Law. Vote against their candidates. They are in the interest of existing monopolies, and are careless of the interest of the mass of the people.

REMEMBER at the polls Capt. A. M. HUNTER. He served this community gallantly and usefully during the War, guarding it from guerillas and thieves, and deserves recognition and reward.

SAMUEL SHELLEY deserves the vote of every tax-payer. The Poor House mismanagement ought to be corrected.—The "Democratic" Directors, instead of correcting it, keep it up. Let the Board be divided politically, and we may expect an improvement.

Vote for SHELLEY.

VOTE *for* a Free Railroad law by voting *against* Mr. HELTZELL, whose party is against this great Reform.

VOTE for GEORGE H. JORDY for Assembly.

ONE vote may elect GEORGE H. JORDY to the Assembly, and save the Damage bill from defeat.

Vote the Republican ticket.

NEW SEGAR STORE.—Mr. Washington Bierbower has opened a new Segar Store in Chambersburg street, in one of the houses recently built by Mr. Nicholas Weaver; and will keep a good supply of articles in his line.

A SAD ACCIDENT.—On Wednesday of last week, a little child of CORNELIUS BENDER residing near Eppleman's mill, in Menallen township, was drowned by falling into a tub of water that was left standing at the pump. When found, life was extinct.

CHAPLAIN.—Rev. Jacob A. Lefevre of Baltimore, (formerly of this town), has recently been elected Chaplain of one of the regiments of Swann's new Maryland State Militia. He is getting ready for the next war. He was very much shocked at the exceeding sinfulness of the late one, for the suppression of the Slave-holders' rebellion.

A BEAUTIFUL BAND-WAGON.—Mr. PERRY J. TATE of this place, last week finished a very handsome band wagon for the band at Lewistown, Frederick county, Md. The workmanship was in all respects of first quality, and was highly creditable to the establishment at which it was done. It cannot fail to extend the reputation of the town, for skillful mechanics.

DANGEROUS COUNTERFEIT.—The new imitation of $10 bills on the Third National Bank of Philadelphia, Penn., is a very dangerous affair. The execution of the engraving is good, and the general appearance of the note is likely to deceive. Keep a sharp lookout for them. *Lord's Dectector* says the counterfeiters are at work improving their spurious issues of National bank notes. We have just seen a new $5 note, which presents a much better appearance than any of the counterfeits of this denomination which have heretofore come under our observation. Too much care cannot be exercised in handling this kind of money.

ACCIDENT.—A little son of Mr. James Heck of Cumberland township, had his arm broken about two weeks ago by being drawn by the strap over the pulleys of the threshing machine while driving it. The arm was set by Dr. C. M. ARNOLD, and the patient is recovering.

☞ The advertisement of the York County Fair gives interesting particulars. The Exhibition will be, as usual, attractive, and many of our citizens will take the opportunity to visit it.

DAVIS' PANORAMA OF THE REBELLION.—We see it stated that Mr. HARRY H. DAVIS, the artist, has sold this celebrated painting for six thousand dollars to F. RAHTER, Esq., now at Harrisburg, formerly of Littlestown, who is announced as intending to exhibit it under the auspices of Gettysburg National Soldiers' Orphan Home, and to make that Institution a sharer in the profits.

☞ George Smith is re-moddelling and improving the house on his farm in Cumberland township, and is adding a backbuilding.

ARRESTED.—On Friday last GEORGE W. HOUSE, Deputy Sheriff of Knoxville, Ill., reached this place, with a requisition for the arrest of JESSE COLLINS, who, with four other persons, is charged with having robbed a Factory in Knoxville. The process was placed in the hands of Sheriff HAHN, who arrested COLLINS in Franklin township the same evening. COLLINS was formerly a citizen of this county, and during the war was a member of Co. K, 101st Pennsylvania Volunteers. At the close of the war he went West, and returned to this county several weeks ago. Deputy House left, with the prisoner, for Illinois on Saturday morning.

☞ Hon. THADDEUS STEVENS, now at his home in Lancaster, Pa., was attacked with a severe indisposition on Saturday, but he was much better on Monday.

SALES OF PROPERTY.—The farm of ISAAC LAUCKS near Hanover, 70 acres, was sold at public sale on the 17th, to Dr. D. STUDY of this place, at $215 per acre.

The farm of CHRISTIAN WOLF, near New Oxford, 40 acres, was sold at public sale to CHRISTIAN ZINN for $57 per acre.

The Administrators of JOHN HOKE, deceased, have sold to HEZEKIAH LATSHAW for $30 an acre, 7 acres and 24 perches, being a corner of the farm belonging to said estate. Mr. LATSHAW intends to build a residence upon it.

JAMES HECK has sold his farm in Cumberland township, (on Carlisle road), 78 acres, to FREDERICK DIEHL, Esq., for $8,000.

WILLIAM A. DUNCAN, Esq., has sold the two "Bankert" Houses on west High street—the one to DANIEL F. PITTENGER for $300, the other to WM. D. HOLTZWORTH for $700.

Rev. SAMUEL LONGENECKER has sold his farm in Straban township, 155 acres, to DAVID BROWN, of East Berlin, for $4,700.

Mr. HENRY WITMOR has recently bought of HENRY SLOTHOWER, his property in Straban twp., 85 acres, for $1,650.

If any local man is in doubt as to how he shall vote at the coming election, let him inquire which candidate has the sympathy of the Rebels and their leader in the White House.

A VALUABLE WORK.—Amid the numerous sensational and comparatively worthless publications of the day, it is refreshing now and then to come across a work of substantial merit, and such we regard the one now on our table, for which we are indebted to the publishers, ZIEGLER, MCCURDY & Co., Philadelphia, viz:—"*The Origin and History of the Books of the Bible*," by Prof. CALVIN E. STOWE, D. D. The work embraces an examination of the Apocryphal, as well as the accepted New Testament Scriptures, and the proofs of the authenticity of the canonical portion,—with brief sketches of 100 of the early witnesses of these Scriptures—and an examination of the objections to the Gospels and the New Testament Scriptures generally. Each of the Gospels and the Epistles, as also the Acts and Revelations, are separately examined, and the objections to them met. The entire work bears the impress of Prof. STOWE'S strong mind, who presents his views clearly and sharply, and brings into review a large amount of valuable matter, not usually accessible to an ordinary reader. Not the least interesting chapter in the work is the discussion of the Hegelian school of philosophy, which, succeeding the grosser infidelity of Paine and Voltaire, has found legitimate expression in the more dangerous, because more specious, systems of Strauss, Renan, Schenkel, and other theologians of the German and French rationalistic schools. While the biblical scholar will find much in this volume that is new and striking, it has been specially prepared for the general reader, and as such ought to command a large sale. It will only be sold by subscription, and persons desirous to become Agents will address Ziegler, McCurdy & Co., Philadelphia.

THE INDIAN DOCTOR will be in PETERSBURG (Y. S.) at Becker's Hotel, from Saturday Sept. 28, to Tuesday, Oct. 1, where he can be consulted by persons desiring his services. The Doctor charges nothing for consultations, which are free. Call and see him, and examine the certificates of wonderful cures performed by him. It

By subscribing for the stock at one dollar per share you obtain an engraving worth fifty per cent. more than you invest, besides participating in the grand distribution of gifts. Every share of stock will receive some present, with an equal chance of securing some of the valuable articles, as published in the schedule.

GENERAL NEWS.

THE election is to be held in Georgia, October 29.

Rev. Frederick R. Anspach, D. D., died in Baltimore, on 17th, aged 49.

SIR FREDERICK BRUCE, the British Minister to Washington, died suddenly at the Tremont House, Boston, on Thursday morning last.

THE Lutherbaum Chapel, Twelfth and Oxford streets, Philadelphia, was dedicated on the 19th. Drs. Hutter, Stork, Albert and others participated.

THE regular reduction of the State debt, sorely puzzles our enemies, and flatly contradicts all their statements about financial mismanagement.

Gov. Geary and his wife recently joined the First Presbyterian Church in Harrisburg, and had his four children baptized. The services were very solemn and impressive.

THE University of Pennsylvania at Philadelphia have made Greek and Latin optional studies for the Junior and Senior classes, and allowed the substitution of the modern languages and the sciences.

ONE of the most enterprising citizens of Reading has just purchased a large lot of ground upon which it is his purpose to erect an extensive manufacturing establishment at a cost of $40,000, if the election goes right.—If Sharswood, the Repudiator, is chosen, he says he will not invest a dollar in any enterprise of the sort.

THE Antietam celebration was rather a "Secesh" affair. Gov. SWANN presided; Ex-Gov. BRADFORD delivered the Oration; and President JOHNSON made a few remarks, very pointless and inappropriate. The poem was common-place. The attendance was large, but there was no enthusiasm except among the Union men and soldiers who showed their contempt for the "Secesh" element and their respect for Gov. GEARY and other loyal Governors who were present. The managers tried to prevent the latter from speaking; but the crowd would not consent. The Presidential party left the stand, immediately Gov. GEARY rose to speak. It turns out, that the charter for Antietam contemplates using part of the fund for interring, in a separate part of the Cemetery, the Rebel dead; and it is probable the loyal States will make no further contribution to the concern.

THE English Harvest is, reported by the agricultural editor of the London Times to have produced a wheat crop under the average, a barley crop ten per cent. over the average, oats fifteen per cent. over, of beans an average crop, and of peas below the average. There is an average crop of potatoes reported, but owing to excessive moisture the quality is inferior, whilst in the west and southwest of England the potato disease is prevalent. The hay crop is the best ever gathered, and pasturage is reported to be most excellent.

WHILE Congress was moving harmoniously in the work of reconstruction, and the people of the South were obediently accepting the situation, gold remained at 139-40. But the moment Andrew Johnson began thinking, gold instantly rose to 144!

NEWS OF NEIGHBORING COUNTIES.

CUMBERLAND.—Horace Greeley will deliver the address at the Carlisle Fair, on Thursday, Oct. 3rd.—Samuel C. Brown, of Carlisle was adjudged a bankrupt May 21, on application of Bomberger, Cunningham and Co. William D. Sponsler is the assignee.

FRANKLIN.—The salary of the County Superintendent of Common Schools has been raised to $1,200 a year. The attendance of Directors was small, and the vote on the increase was 12 for, to 8 against.—Dr. James Brotherton of Waynesboro', aged 75, died on 12th.—John Lantz's farm, in Quincy township, of 92½ acres, was sold at public sale for $115.50 per acre to John Lantz, Jr.

YORK.—Lewis Weaver has sold his two-story frame dwelling in Hanover, to Mr. McMaster of Carroll county, for $1,500.—Col. J. J. Kuhn of East Berlin has bought Mrs. Marcus Wortz's two-story brick dwelling for $3,400.—There will be an Educational Convention in York, to continue five days, beginning on the 4th Monday in November. Essayists, Lecturers, and Drill-leaders are announced to be present.—A sturgeon eight feet long and weighing over one hundred pounds, was recently caught below the Dam across the Susquehanna at Wrightsville, and a larger was caught near Washington, on the Lancaster county side.—The new Church edifice in Chanceford twp., belonging to the Evangelical Lutheran and the German Reformed Congregations, will be dedicated, October 6.

POLITICAL ITEMS.

GENERAL Sheridan was enthusiastically received at Harrisburg and all points east and west, last week, on his way to Washington.

THE Democratic State Convention of Maryland, to nominate candidates for Governor, Attorney-General, Comptroller, and Clerk of the Court of Appeals, will be held in Baltimore, on the 9th of October.

VALLANDIGHAM has publicly announced himself a candidate for the United States Senatorship from Ohio. His claims are based upon his martyrdom in behalf of the rebellion. Sharswood's claims to a Judgeship on the Supreme Court bench rest on the merit of his services to rebellion.

ONE VOTE.—Three of the five Judges of our Supreme Court have decided that the Legal Tender Act is Constitutional. The other two, (Cops.,) have given a contrary opinion.—Judge Sharswood is on the record with his Copperhead friends. It is easy to have this opinion of the Supreme Court *reversed*.—You have only to elect Judge Shars wood.—Then our currency will be worthless.

COL. FORNEY, writing from Washington, says: "General Grant openly expresses his opinion that the reconstruction measures of Congress are just and necessary, and will prevail over all opposition. On this subject he has not now, and never had, the slightest reserve. The same is true of every military commander in the South."

AMONG the admirable resolutions recently adopted by the Philadelphia Union league, are the following:

Resolved, That impeachment is the sole defence of the people against the incapacity negligence or perfidy of the Chief Magistrate. —*Madison*.

That with a view to the exercise of the power of the impeachment, the House of Representatives have a right to investigate the conduct of all public officers under the government, and in such a case the safety of the republic is the supreme law; and the power of the House in pursuit of this object reaches the most secret recesses of the Executive department.—*James K. Polk*.

That the abuse of power conferred upon the President may be as criminal as the usurpation of power which has not been granted and would justify the House of Representatives in voting an impeachment.—*James Buchanan*.

That a wanton removal of meritorious officers by the President is an abuse of power which subjects him to impeachment and removal from his own high trust.—*Madison*.

Resolved, That the prompt and indiscriminate pardon of persons duly convicted and sentenced in the courts of the United States, for counterfeiting the national currency;

The attempt to nullify the act passed by Congress over the Executive veto, for the reconstruction of the Union;

The suspension of Edwin M. Stanton from the office of Secretary of War, the duties of which he had performed not only with fidelity to the country, but with distinguished ability;

The removal of General Sheridan, an accomplished and illustrious officer, from his command, at the instance of prominent traitors whom he had offended by his faithful execution of the laws;

And the recent proclamation of amnesty, issued as we believe without authority, and for the purpose of restoring to influence and power persons who incited the South to rebellion, and who are yet under an oath of allegiance to a government unknown to the Constitution, which they hope to re-establish, are acts which constitute *prima facie* such abuses and usurpations of power, as to demand the impeachment and trial of the offender, in order that the Constitution may be vindicated and the National Government preserved in its integrity.

THE PARDONED HOST.—Eighteen thousand pardons are said to have been issued by President Johnson to the Southern Rebels up to September 7. In this catalogue will be found the names of some of the most fierce and demonstrative traitors who were excepted by the Amnesty Proclamation of 1865. So many have found special favor at Washington that the issue of the last proclamation seems merely to have been malicious The eagerness of Mr. Johnson to forgive the wretches who attempted to ruin the nation has been conspicuous ever since the close of the Rebellion. Had he been actuated by patriotism, he would have withheld his pardons until the country was settled, and the South wholly restored. The release of parties who were liable to punishment for their crimes was an assurance to them that their offenses were venial in the eye of the Executive, and a certificate that they might be at libeaty to oppose every effort to restore loyalty to the section of the country in which they lived. The effects have been seen in the endeavors of the pardoned band to prevent reconstruction, and the most able and industrious enemies of the policy of Congress in the South, are the men who have been pardoned by Andrew Johnson.

THE Cincinnati *Advertiser* in a stirring article, smelling very strongly of copper, said, "Every prediction made by our party about the war has been verified." To which the Scioto *Gazette* responds as follows:

"You predicted that the South could secede without a war—but it couldn't!

You said the North could not fight—but it did!

You said one Southerner could whip five Northerners—but he couldn't!

You asserted that we had no power to coerce them—but we had!

You said that we never could conquer them—but we did!

You predicted that a bushel of greenbacks would not buy a dinner—but it will!

You resolved that the war was a failure—but we succeeded!

You asserted that the people of Ohio were opposed to the war, that they would elect the peaceable Vallandigham—but they didn't.

You are now predicting that you will carry this State—but you won't."

DYSPEPSIA.

There is no disease which experience has so amply proved to be remediable by the

PERUVIAN SYRUP,

(a protected solution of the Protoxide of Iron), as Dyspepsia. The most inveterate forms of this disease have been completely cured by this medicine, as ample testimony of some of our first citizens proves.

FROM THE VENERABLE ARCHDEACON SCOTT, D. D

DUNHAM, Canada East.

"I am an inveterate Dyspeptic of MORE THAN 25 YEARS STANDING."

"I have been so wonderfully benefitted in the three short weeks during which I have used the Peruvian Syrup, that I can scarcely persuade myself of the reality. People who have known me are astonished at the change I am widely known, and can but recommend to others that which has done so much for me." * * *

ANOTHER CLERGYMAN WRITES AS FOLLOWS:

"My voyage to Europe is indefinitely postponed. I have discovered the "Fountain of Health" on this side of the Atlantic. Three bottles of Peruvian Syrup have rescued me from the fangs of the fiend Dyspepsia."

A pamphlet of 32 pages, containing a history of this remarkable remedy, with a treatise on "Iron as a medicine," will be sent free to any address.

CONSUMPTION CURABLE BY DR. SCHENCK'S MEDICINES.

TO CURE CONSUMPTION, the system must be prepared so that the lungs will heal. To accomplish this the liver and stomach must first be cleansed and an appetite created for good wholesome food, which, by these medicines will be digested properly, and good healthy blood made; thus building up the constitution. Dr. SCHENCK'S MANDRAKE PILLS cleanse the stomach of millions of poisonous accumulations, and, by using the Sea Weed Tonic in connection, the appetite is restored.

SCHENCK'S PULMONIC SYRUP is nutricious as well as medicinal, and, by using the three remedies, all impurities are expelled from the system, and good, whole some blood made, which will repel all diseases. Patients will take these medicines according to directions Consumption very frequently in its last stage yields readily to their action. Take the pills frequently, to cleanse the liver and stomach. It does not follow that because the bowels are not costive they are not required, for sometimes in diarrhœa they are necessary. The stomach must be kept healthy, and an appetite created to allow the Pulmonic Syrup to act on the respiratory organs properly and allay any irritation. Then all that is required to perform a permanent cure is, to prevent taking cold. Exercise about the rooms as much as possible, eat all the richest food—fat steaks, game, and, in fact, anything the appetite craves; but be particular and masticate well. [Oct. 25, 1866.–weml y

embracing all the paraphernalia and adjuncts necessary for a first-class Circus. The limit of an advertisement will scarcely suffice for a full description of the outfit, or the talents of the artists employed in this unique establishment; but the proprietors may especial pride in directing attention to the Equestrian Company, which is composed of all the old favorites,

BASSINI'S

Twenty Melodic Exercises,

IN FORM OF

SOLFEGGIOS FOR SOPRANO OR MEZZO SOPRANO VOICES,

INTENDED AS

Studies to acquire the Art of Singing.

"These exercises were composed to be used simultaneously with his system, "THE ART OF SINGING," or with any *other method* for the cultivation of the voice, and will take the place of CONCONE'S SOLFEGGIOS; being more melodious and better adapted for teaching.

"Some of these exercises are specially beautiful as well as useful, a mingling of the *dulce of style*, which procures the interest as well as the improvement of the student. The various styles developed in these exercises render them invaluable in an educational point of view, as they tend to enlarge the intelligence and the appreciation, and at the same time form the taste of the pupil. They must be studied carefully with reference to the innumerable marks of expression and forms of ornamentation. Upon the minute accuracy with which these are accomplished depends the actual sterling advancement of the pupil; any evasion or slurring in these respects is time and effort utterly wasted, while, on the other hand, a clean and patient investigation, and a minutely faithful execution of them, will give unexpected power and facility, and open to the student the means and resources by which great artists produce their most brilliant and profound effects.—*Watson's Art Journal.*

Agricultural Implements.

BRINKERHOFF'S CORN SHELLER, SEPARATOR AND CLEANER.

The undersigned would inform the Agricultural public that he has purchased from the Patentee of this extraordinary machine, the Patent Right for the States of Pennsylvania and Maryland.

"Brinkerhoff's Corn Sheller, Separator and Cleaner," is pronounced by all who have seen it in this country. And in proof, it may be mentioned that the "Advisory Committee appointed to select Implements for exhibition at the Universal Exposition in Paris, in 1867, have selected this Sheller as the best in America," and at the request of J. C. Derby, U. S. Agent, a machine has been shipped to Paris for exhibition. One important feature in this machine is that it will shell ears large, small or crooked, perfectly clean, and separates the cob and chaff from the Corn ready for market.

The fact may also be stated that at the great trial of Agricultural Implements, at Auburn, N. Y., in July last, under the auspices of the New York State Agricultural Society, the Brinkerhoff Corn Sheller, Separator and Cleaner was reported by one of the most competent Committees as the best Corn Sheller out. They say, "We have carefully examined and thoroughly tested this machine, and have no hesitation in pronouncing it *the best Corn Sheller we ever saw.*" The report is signed by such men as John Stanton Gould, President N. Y. State Agricultural Society; B. P. Johnson, Secretary the same; Solon Robinson, Agricultural Editor N. Y. Tribune; S. Edward Todd, Agricultural Editor N. Y. Times.

From among many complimentary newspaper notices, the following, from the N. Y. *Observer*, is deemed sufficient:

"Among all the Hand Corn Shellers made in New York and Albany—and one single firm manufacturers more than 10,000 annually—not one can enter the circle with the Sheller just invented by J. Brinkerhoff, Auburn, New York. It shells, separates and cleanses, rapidly and easily, at one operation, as fast as the ears can be put in the hopper."

The undersigned is now prepared to dispose of COUNTY RIGHTS. He will have SHELLERS ready for sale in the course of a month's time.
